1300-1400	<i>Educational talk 2(20mins), Educational Talk 3(20mins) , Educational Talk 4(20mins)</i>	
SESSION 3 – SPINE Chairman: Dr Choy Yin Choy , Co-Chairman: Dr Gopinathan		
1400-1430	Management approach and guideline in post laminectomy persistent pain syndrome. An overall review from a Korean experience 1500-1530 (South Korea time)	Dr Yongjae Yoo
1430-1500	The current evidence of cervical epidurolysis in neck pain	Dr Ozlan Isma
1500-1530	Latest interventional pain guideline and the limitations .An overview looking at the various interventional pain societies guideline for chronic spinal pain. 1230-1300 (India time)	Dr Gautam Das
1530-1600	Epiduroscopy - is it still relevant today?	Dr Lim Heng Hing
1600-1630	The evolving role of ultrasound in diagnosis and pain interventions in cervicogenic pain.	Dr Raja Reddy
1630-1700	Thoracic spinal pain-The differentiaal diagnosis and utilizing a multimodal pain management treatment .	Dr Gopinathan Raju

DAY 2 SUNDAY, 17th JULY 2022

TIME	TITLE OF LECTURE	SPEAKER
SESSION 4 – SPECIAL PAINFUL CONDITION Chairman:Dr Lim Heng Hing, Co-Chairman:Dr Muralitharan		
0800-0830	ICD11 pain classification	Dr Mary Cordosa
0830-0900	Ultrasound guided interventional therapy for painful neuropathic condition. <i>0830-0900 (Hong Kong time)</i>	Dr Carina Li
0900-0930	Eagle pain syndrome - A rare and complex facial pain.	Dr Dominic Hegarty
<i>0930-1000</i>	<i>Educational talk 5</i>	
SESSION 5 – CANCER PAIN Chairman: Dr Mohd Shahrir , Co-Chairman : Dr Awisul Islah		
1000-1030	The cancer pain dilemma. Addressing the elephant in the room. Oncologist’s versus pain specialist’s role in cancer pain management.	Dr Amitabh Gulati
1030-1100	Superior hypogastric & ganglion impar block: Managing the chronic pelvic pain & malignancy.	Dr Awisul Islah
1100-1130	The complexity in managing abdominal malignancy pain and the current role of pain intervention, <i>0830-0900 (India time).</i>	Dr Sushma Bhatnagar
SESSION 6 – NEUROMODULATION AND PAIN SURGERY Chairman: Dr Gopinathan, Co-chairman: Dr Toh Charng Jeng		
1130-1200	Recent advances and indications for spinal cord stimulators and the outcomes. <i>1430-1500 (Australia time)</i>	Dr Paul Gray
1200-1230	The recent evidence and indication for pain surgery in difficult painful condition. <i>1100-1130 (Thailand time)</i>	Dr Bunpot Sitthinamsuwan
1230-1300	The dilemma in diagnosing and management Of Complex Regional Pain Syndrome and current evidence for pain interventions and role of radiofrequency.	Dr Sadiq Bhayani
<i>1300-1400</i>	<i>Educational Talk 6, Educational Talk 7.</i>	
SESSION 7 – ULTRASOUND GUIDED MEDICINE Chairman: Dr Lina, Co-Chairman: Dr Mohd Shahrir		
1400-1430	The role of ultrasound in diagnosing and performing interventional pain procedures for lumbosacral spinal pain. What are the clinical pearls?	Dr Jeimylo De Castro
1430-1500	The future of ultrasound technology in interventional pain. Can POCUS (Point Of Care Using Ultrasound) help is performing bedside interventional pain procedures. <i>1430-1500 (Hong Kong time)</i>	Dr Stanley Lam
1500-1530	The role of ultrasound guided intervention for Nerve Entrapment Syndrome.	Dr Anwar Samhari
SESSION 8 – RECENT ADVANCES IN REGENERATIVE THERAPY. Chairman:Dr Anwar Samhari, Co-chairman: Dr Choong Leong Tong		
1530-1600	What is the current evidence for the role of regenerative medicine in various acute and chronic pain conditions? Is stem cell therapy the future or just an hype? <i>1530-1600 (Taiwan time)</i>	Dr Helen Gharaei
1600-1630	The future in interventional pain management? Where are we heading with the technology advances of 5G, AI and robotics? Will pain physician be replaced in future?	Dr Alex Yeo
1630-1700	The role of regenerative therapy and evidence in management of post-covid neuritis	Dr Mohd Shahir

INTERNATIONAL FACULTY

Dr Abdallah Allam (Egypt)
Dr Alex Yeo Sow Nam (Singapore)
Dr Amitabh Gulati (USA)
Dr Bunpot Sitthinamsuwan
(Thailand)
Dr Carina Li Ching Fan (Hong Kong)
Dr Dominic Hagerty (Ireland)
Dr Gautam Das (India)
Dr Helen Gharaei (Iran)
Dr Jeimylo C. De Castro(Phillipines)
Dr Lee Sang Hoon (Korea)
Dr Milan Stojanovic (USA)
Dr Novy TCT (Indonesia)
Dr Paul Gray (Australia)
Dr Rohedi Yosi Asmara(Indonesia)
Dr Sadiq Bhayani (United Kingdom)
Dr Sushma Bhatnagar (India)
Dr Stanley Lam (Hong Kong)
Dr Yongjae Yoo (Korea)

LOCAL FACULTY

Dr Awisul Islah B. Ghazali
Dr Anwar Samhari
Dr Gopinathan Raju
Dr Lim Heng Hing
Dr Mary Cardosa
Dr Mohd Shahir
Dr Muralitharan Perumal
Dr Toh Charng Jeng

MSIPP Member : RM100
Non-MSIPP Member: RM200
Non-Malaysian :USD100
