

OBITUARY

1960 - 2022

With great sorrow, we announce the passing of our colleague and friend Choong Leong Tong who passed away peacefully on 20 June 2022

A highly esteem member of our team Choong Leong Tong was a highly qualified pain specialist with FIPP and CIPS qualifications. He has ample knowledge and skills to handle chronic pain challenges.

Always ready to give a helping hand and advice on matters related to clinical issues and education.

Over the years he had been a valuable exco member in the Malaysian Society of Interventional Pain Practitioners participating as lecturer and facilitator in many scientific conferences and workshops of international standards.

We will miss him very dearly.
